<p>The Human Services Coalition of Prince Georges County dba Nonprofit Prince Georges County (NPGC) is the only nonprofit in the county created with the primary goal to provide and support capacity building to our county nonprofits. Founded over 20 years ago as a coalition of human services professionals who wanted to build relationships and improve services for County residents, NPGC incorporated as a 501(c)3 organization in 2003. We currently have 140+ nonprofit members represented in our coalition.</p>		

11. Description and Purpose of Project (Limit length to visible area)

The proposed project will allow Nonprofit Prince George's County to expand our capacity building to allow more County-based nonprofits to take advantage of our services and reach out to more residents, particularly those in underserved communities. We are looking to provide capital improvements to our facility to expand the work space and services we are able to offer our nonprofit members. We are excited to see that Prince George County is at a place to undergird the sector by strengthening the capacity building with resources, which is on par with other counties in the state.
