

During the 2018 legislative session, the Maryland General Assembly evaluated 240 bond bill requests that totaled nearly \$62.9 million. The Senate and the House each funded \$8.0 million in legislative projects; individual bond bills were not acted upon by the legislature. Instead, the General Assembly amended the State Capital Budget Bill (SB 186) to specifically list the projects selected for funding. The chart below indicates the status of those bond bills funded in 2018. The "Total" column on the right indicates the total amount of funding approved for each project, including projects funded in SB 186 in the Miscellaneous Grant Programs section.
